

Swimming only for women

For interested women over the age of 16 (no children, no men), a swimming lesson with female swimming supervision will be offered on scheduled dates in the town bath in Neuss. It is a pilot project that has been established in cooperation with various women's groups, the sports office and integration office as well as the spa society (NBE) of the city of Neuss. This offer is aimed at all women who feel more comfortable among women in the pool. The swimming lesson is offered on Sundays. There is no swimming course during this time. The pool closes at 2.15 pm.
